## AAU Cagers Resume Play

New Years Eve horns and confetti have been packed away for another year, and AAU cagers are out on the hardwoods again in the league race for a trip to Denver.

A full week of action is set, with a doubleheader Thursday night at Los Angeles City College; a single game Friday at LACC and another single fray Saturday, this one at Santa Ana Junior College.

Thursday night's action pits two undefeated teams—Kirby's Shoes, 4-0, and Mirror Glaze, 3-0. The Eric Pyle-coached Mirror Glaze quintet seems to be the last major hurdle in front of the Scotty McDonald shoe squad.

**Irvin Hitting**  
Roy Irvin, hitting the netting for a 21.0 average, leads the Mirror Glaze quint, assisted by Dick Hammer, Don Glenn, Jack Davis and Mel Howrey.

Kirby's has Walt Torrence, Al Buch, Don McIntosh, Bill Sanchez, Bobby Pounds, Dick Banton and Monte Gonzales to pace the attack. Game time for the first of two is 7:30 p.m. Admission is free.

In the nightcap, Broadway Federal Savings, a go-go-go group coached by former U. of C. Johnny Moore, meets ever dangerous LaFonda Restaurants from Anaheim. LaFonda features the play of league-leading scorer Ray Butler, with a 26.8 mark for four games. Together with Pete Eckle, Carrol Wennstrom, Marv Decker and Dick Brust, the Anaheim aggregation can be a tough one to beat.

**Pace Attack**  
Willis Thomas, Bob Savage, Maurice Washington and Clayborne Jones pace the rapid transit attack of Broadway Federal Savings. This is a big game for both teams, with the tipoff set for 9:15 p.m.

On Friday night in a single encounter it will be the same Broadway Federal squad facing a winless-but-overdue Caballero quintet. The Caballeros feature Henry Ronquillo, Magdaleno Felix, Ray Villalobos and Dick Crowther.

Saturday night action finds LaFonda playing at home in Santa Ana facing Lockyers Markets of Long Beach. Through a quirk in the scheduling, the Lockyers five has played but one game and so are still an unknown quantity.

Bob Laemmle, Bob Delpit, Ken Pearson and Danny Rogers lead the Long Beach five. Game time at Santa Ana Junior College is 7 p.m.

through the event's paces whenever lanes are available until the final squad 6 p.m., Jan. 4.

Action in Bowl-O-Drome's 3rd annual holiday affair going hot and heavy with keggers going

BY MEL SALTZMAN

With the holiday over and the new year upon us, why not look back for a few moments at the fun of last year. The fishing was the greatest that I can remember in many years, both salt and fresh water. The deer season, according to the report just out by Fish and Game went on record as the second best recorded with 73,483 deer reported. Barracuda fishing was the greatest on record with over a million expected as a final count. Two new species of fish were introduced to California, the Walleye from Minnesota, and a hefty strain of largemouth bass from Florida in hopes of improving warmwater fishing. The stripped bass which were introduced to Northern California almost 50 years ago from the East were successfully introduced in the Colorado River and showed tremendous growth in a few months. The Salton Sea finally came into its own as a contributors to the outdoors and is hoped to become another area to share the load of our rising population. These plus numerous other projects by the Department of Fish and Game have provided good sport and should provide better sport in years to come.

1960 should be a good year. The much needed rains and snow have fallen and continue to fall and build the snow pack which melts and fills out streams and lakes. The salt water fishing is still in high gear with good catches of yellowtail and barracuda continuing in the winter months. The deer herds show a decided gain in growth and it appears that the antlerless hunt idea is sound game management. These, plus many other factors, seem to point to lots of good times and fine sport ahead in 1960.

The new fishing license is out and the old one has no trade-in value, so stop in at Sportville and get the new license now. If your tackle needs repair now is the time to bring it in and eliminate using all those cuss words that you resolved not to use on New Year's Day.
